

# **Mixed Matrix Membranes With In Situ Synthesized Dendrimer Particles: Preparation, Characterization and Applications to SusChEM**

Prof. Mamadou S. Diallo<sup>1,2</sup>

<sup>1</sup>Division of Chemistry and Chemical Engineering  
California Institute of Technology

<sup>2</sup>Graduate School of Energy, Environment, Water and Sustainability (EEWS)  
Korea Advanced Institute of Science and Technology (KAIST)

**13<sup>th</sup> US-Korea Forum on Nanotechnology**  
**Seoul, Republic of Korea**  
**September 26-27, 2016**
