

## *Speaker Profile*

### Contact Details

**Organization Name:**

Ajou University

**Address:**

San 5 Woncheon-Dong Youngtong-Gu  
Suwon 443-749,  
Korea

**Phone:**

+82-31-219-2357

**Fax:**

+82-212-9531

**Email:**

sangin@ajou.ac.kr

**Website:**

**Name :** Sangin Kim

**Title :** Assistant Professor

**Institute :** School of Electrical and Computer Engineering,  
Ajou University

### Education

**Ph.D. in Electrical Engineering, University of Minnesota, Minneapolis-St. Paul, 1997**

**M. S. in Electrical Engineering (minor program in Physics), University of Minnesota, Minneapolis-St. Paul, 1995**

**B. S. in Electrical Engineering, Korea Advanced Institute of Science and Technology (KAIST), 1992. 08**

### Employment/Experience

**School of Electrical and Computer Engineering, Ajou University, Assistant Professor, 2003. 3 ~ present**

**Optical communication team, R&D group, Korea Telecom, Senior member of technical staff, 1997.9 – 2003.2**

### Fields of research interest

**Nanophotonics/photonic integrated circuits/photonic crystals/plasmonic waveguides**

**All-optical signal processing for fiber-optic communications**

**Opto-electronic devices**

**Quantum information**
