Notes:

- Statistics include special, non-degree summer programs, which are mainly Pre-College, Dalcroze and EMBA students. These were added beginning in M/F 06.

- Beginning in M/F 05, graduate students were separated by their educational levels of Master's or Doctorate rather than being grouped together.

- Students who have changed their academic level are not represented in these numbers.

- Students returning from a leave of absence are represented in these numbers.

- Interdisciplinary programs that are hosted by more than one College are listed under the college heading "CMU".
