5. Canada (60)

Notes:

♦ Statistics include special, non-degree summer programs, which are mainly Pre-College, Dalcroze and EMBA students. These were added beginning in M/F 06.

♦ Beginning in M/F 05, graduate students were separated by their educational levels of Master's or Doctorate rather than being grouped together.

♦ Students who have changed their academic level or who have transferred between campuses **are not** represented in these numbers.

♦ Students returning from a leave of absence **are** represented in these numbers.

♦ Interdisciplinary programs that are hosted by more than one College are listed under the college heading "CMU".
