### CPT Academic Advisor Recommendation Form

Please Type or Print:

Student Name/Andrew ID: \_\_\_\_\_ Semester for CPT: \_\_\_\_\_

**The Student's Academic Advisor or other Authorized Department Personnel should complete the form based on the information below.**

Curricular Practical Training (CPT) is employment authorization for work that is an integral part of the established curriculum. Unless required for all students in the program, students must be enrolled in a credit-bearing course that requires employment (such as an internship, practicum or co-op course.) The course must earn credit toward the degree and have faculty oversight. The internship must be directly related to the student's major.

**If an internship or practicum is part of the curriculum for this student's academic program AND the job is directly related to the major and you approve this request, complete the form below and return it to the student to submit to OIE online through their MyOIE Portal.**

*\*Note: students often have great opportunities for employment related to the field that are not specifically tied to or an integral part of the curriculum. These valuable employment experiences may be possible through Optional Practical Training (OPT) rather than CPT. If you have any questions about whether the employment opportunity qualifies for CPT, contact an OIE advisor with questions by email: [oiie@andrew.cmu.edu](mailto:oiie@andrew.cmu.edu).*

**NOTE: If all degree requirements have been met, students are not eligible for CPT.**

**Graduate students who have completed all required coursework excluding thesis or dissertation may be eligible for CPT.**

**See details in option C below.**
