Greetings from Alumni House! As assistant vice president for alumni relations, I am privileged to keep our alumni network connected to the university and to each other. More than 105,000 alumni live across the country and around the globe, taking with them passion and creativity fostered at CMU.

One thing you may be surprised to learn is that your daughter or son, having completed at least one semester at Carnegie Mellon, is now considered an alumnus of the university. As a parent of a current CMU student, you are also an important part of the Tartan family! I invite you to join alumni and other members of the CMU community for various events and programs that occur throughout the year in your region or on the web. You can find more information about opportunities to engage with the alumni community and with Carnegie Mellon at alumni.cmu.edu.

As we approach finals, I wish your daughter or son the best in finishing the semester strong. And I hope to see you at a CMU Alumni Association event soon!

With Tartan Pride,
Nancy Merritt
Assistant Vice President, Alumni Relations
