We are so excited to welcome our students back for another school year! The fall semester is a great time for our students to reconnect with friends and faculty, explore new interests on campus, and be excited and challenged by new coursework. In addition, we are excited to reconnect with parents and family members and continue to engage you with the Carnegie Mellon University community. The Fence Post e-newsletter will continue to be emailed to all parents and family members on a quarterly basis, along with several e-news briefs about special events and announcements throughout the year. We will continue to welcome parents and family at CMU Alumni Association events planned throughout the country and invite you to campus for special events like Family Weekend, which is scheduled for October 11-13.

Our office is here to provide resources for parents and family members, so please don’t hesitate to reach out. I look forward to engaging with you.

Julie Schultz
Associate Dean for First-Year Orientation and Family Engagement

The Senior Year Experience

SLICE, the Alumni Association and the Career and Professional Development Center partner to deliver a year of events designed to help seniors celebrate their achievements and prepare them for life after CMU.
CMU Bucket List

CMU students have a 25-item "bucket list" of things to do before graduation. Does your student have any items to check off this year?

CAMPUS CONNECTIONS

Life at CMU Blog Spotlight: Helping Your Student Navigate Job Offers

Tips and ideas for helping your student evaluate job offers, including reducing fear and understanding what renegs are ... and why they are not a good idea.

The Frame Gallery

The Frame Gallery is a hidden gem on campus. Your student won’t want to miss the ever-changing and cutting-edge exhibits curated by their fellow Tartans.

Be Prepared

CMU-Alert is Carnegie Mellon University’s emergency notification system. Check in with your student to make sure they have accurate contact information on file with CMU. Want to stay in the know? Campus guests and family members can enroll to receive alerts, too.
