

Carnegie Mellon University

Parking & Transportation Services

External Enforcement

1. The University prefers to control parking violations by internal means. However, repeated violations, hazard violations, and non-permit violators may be handled as outlined in the Pennsylvania Motor Vehicle Code Section 3353b and Section 3353c:
 - (b) Unattended vehicle on private property.--**
 - (1) No person shall park or leave unattended a vehicle on private property without the consent of the owner or other person in control or possession of the property except in the case of emergency or disablement of the vehicle, in which case the operator shall arrange for the removal of the vehicle as soon as possible.
 - (c) Property owner may remove vehicle.--**The owner or other person in charge or possession of any property on which a vehicle is parked or left unattended in violation of the provisions of subsection may remove or have removed the vehicle at the reasonable expense of the owner of the vehicle. Such person who removes or has removed a vehicle left parked or unattended in violation of the provisions of subsection shall have a lien against the owner of the vehicle, in the amount of the reasonable value of the costs of removing the vehicle plus the costs of storage. Any city, borough, incorporated town or township may, by ordinance, provide for rates to be charged for removal of vehicles and for municipal regulation of authorized towing services. If storage charges are not set by the municipality, a maximum of \$25 per day may be charged for storage.
2. P&TS office should be notified by the vehicle owner to arrange for the removal of the vehicle as soon as possible. When the P&TS office is closed (after 4:30 PM on weekdays; and all day Saturday and Sunday), please notify P&TS Parking Security Officers at 412- 216-2054.
