2025-2026 Parent or Guardian FAFSA Release Authorization

The Department of Education requires all institutions to ensure the consistency of data related to a student's Free Application for Federal Student Aid (FAFSA). Before disbursing Federal Student Aid funds, all data discrepancies and conflicting information must be resolved. Please sign, scan and upload your completed form to [My Student Aid](#), which is our preferred submission method. However, if you are unable to successfully upload this document through My Student Aid, you can email it to thehub@andrew.cmu.edu.

I authorize Carnegie Mellon University to adjust FAFSA data in order to resolve conflicting information between the FAFSA and other supporting documentation submitted to the university.
