xx-198 ResearchTraining Program Course Contract

Research Training Program is open to students who are Dietrich College or BHA majors and minors who will be 2nd-semester first-year or above students during the semester in which they take this course. Only one xx-198 course may be taken as a Carnegie Mellon undergraduate. This course carries 9 units, which means a work commitment of at least 9 hours per week. To participate in this course, a student must be in good academic standing at the time this course begins and receive approval from faculty. This course gives elective credit and students may submit this experience for their Experiential Learning requirement.

Registration instructions: After completion by the faculty and student, contracts should be emailed to both the student's academic advisor and the Collester Center for Experiential Learning at collester@cmu.edu. Upon review, the corresponding staff will facilitate enrollment in the course.
