CMU Esports

CMU Esports is a club that's centered around cultivating CMU's video gaming community. While we have students who seriously compete in collegiate leagues and tournaments, we also have casual LANs, viewing parties for professional esports events, run our own tournaments, and more! We have divisions for the following games: League of Legends, Hearthstone, Overwatch, Dota 2, CS:GO, Super Smash Bros., and fighting games including Street Fighter/Marvel vs Capcom 3. If you want to create your own division and believe there is enough interest, or if you have any questions regarding the club or any events, contact one of the officers.

Role-Play Games Association

Welcome to CMURPG! We're here to provide the CMU community with opportunities to play tabletop RPGs, participate in LARP events and meet like-minded players to form groups with outside our organized events! Anyone can come and participate, regardless of previous experience.
