Subject: Fraternity and Sorority Life Report, Fall 2013

Date: January 30th, 2014

Attached, please find the information on twenty-three chapters that comprised the fraternity and sorority community at Carnegie Mellon University for Fall 2013. This report is shared with University administrators, faculty and staff, the fraternities and sororities, chapter advisors, chapter presidents, and International offices as a way to raise awareness of the contributions to Carnegie Mellon University made by our fraternities and sororities.

This report highlights the achievements of last semester. In Fall 2013, the fraternities and sororities contributed a total of 6842.8 hours of community service and raised \$30,807 in donations for local and national charities. Of the chapters who reported their involvement about 74% of members were involved in other campus organizations at Carnegie Mellon with about 37% of these students serving in leadership positions. *Please note that these numbers are based off of our Standards of Excellence reporting, for which 11 of our 23 chapters were participants.*

Academically, ten of the fraternities and sororities earned average QPAs at or at or above the university undergraduate average this Fall.
