Semester in Lausanne

Kundhavi Tiruchinapalli (CIT '26) spent a spring semester in Lausanne, Switzerland, studying at EPFL. EPFL is a CMU university-wide exchange partner, which is great for students in CIT, MCS, Architecture and SCS!

"Get out of your comfort zone, try learning a new language, and speak to people from [your host country]. They have so much to offer in terms of culture, and their perspective of the world can help shape yours! "
