- Respect not only Senators, but everyone else present at meeting and/or speaking.

- Issues are given more consideration at meetings now than they were in meetings of past years.
- All motions should be given full consideration, regardless of time.,
- Please try not to insult other Senators, regardless of personal feelings toward the Senator or the Senator's comments.
- "Racing" to Call the question is inappropriate. It shows disrespect to the motion. Comments should be made to acknowledge the motion.
- FNR Committee would not allow motions to be brought to the floor unless it believes Student Senate can/should fund it.
- Every dollar is important and should be spent for a good cause, not because Student Senate can afford to fund.
- There was an editorial in the Tartan about the inappropriateness of signing the Black National Anthem at school events. Student Senate should not try to censor, but consider the issue to prevent campus fights.
