Question #3

How much does it cost to invest in a franchise?
Investment Levels are Affordable

- Very wide range - $50,000 to $3,000,000
- Price and success are NOT correlated
- Most franchise investments are $100,000 - $250,000
  - Includes ALL business expenses: franchise fees, startup costs & working capital
  - Does NOT include your personal living expenses
Question #4

What are the financing options?
Multitude of Financing Options

- Identical to buying a house
  - Equity down payment – 30% of total
  - Loan options – 70% of total
Equity Investment Options – 30%

- Option #1 - Start with cash savings
- Option #2 – 401k rollover
  - Not a distribution, not a loan
  - No taxes, no interest, no penalties
  - Invest in your own company!
- Option #3 – Find a partner
Loan Options – 70%

- Good news – banks love franchises
  - Proven systems = reduced risk!
- SBA loans are the primary option
- Home Equity LOC
- Margin loan against a brokerage account
Question #5

What will I do every day?
Owner’s Role

- What is your daily involvement level?
  - Owner-Operator
    - Daily, direct involvement
  - Executive Owner
    - Daily, indirect involvement
  - Semi-Absentee Owner
    - Weekly, indirect involvement
Owner-Operator Model

- Split role – Owner and General Manager
- You serve the center point of the business
- Interact daily with customers & employees
- Love the business
- Example – Budget Blinds
Executive Owner Model

- Dual role – Owner and CEO
- You interact with the business daily
- Managers interact with customers & employees
- You set strategy, build the team, & manage financials
- Example – ServPro
Semi-Absentee Owner

- **Perfect transition from employee to owner**
- Single role - Owner
- Part-time commitment (10-15 hours/week)
- Management team does ALL day to day
- Example – Sport Clips
What about sales? (I don’t like sales.)
You have Choices with Sales

• Which option works best for you?

• #1 – YOU sell directly to customers

• #2 – Manage a sales team

• #3 - Marketing driven
Question #7

What is the “best” franchise?
It Depends

- Similar to finding the “best” restaurant
- What do you really want?
- This is where you really need some guidance
Key Evaluation Criteria

**Primary Factors**
- Owner’s Role
- Sales & Marketing Role
- Capital to Invest
- Income Goals

**Secondary Factors**
- Location
- Employee related
- Industry preference
- Brand maturity
“Best Of” Rankings

- Most are generally not reliable because the franchise companies can pay to be included.

- Some sources are more objective:
  - Entrepreneur magazine – every January
  - Forbes magazine
  - Franchise Business Review
Question #8

What are the success rates?
Success Rates are Higher than you Think

- There are more than 2,500 active brands

- Look at each brand individually
  - Reference the FDD – Item 20

- FranChoice pre-screens opportunities in order to only work with the best of the best
