

AWS ACTIVATE @ PROJECT OLYMPUS (Starter Kit)

The AWS Activate program provides startups with the resources they need to quickly get started on AWS, including credits that can be used towards AWS products, services, training, and support.

As a member of the Project Olympus community, you are eligible for the following AWS benefits:

- **\$5,000 in AWS Credits valid for 2 Years**

To apply go to:

<http://amzn.to/2BUVqyk>

Use the following Organization ID (**case sensitive**):

OmYUS 15MpX

If you do not have an existing AWS Account, please create one [here](#) using your company email address. When applying for credits, be sure to use the same email address as the one used when you created the account you would like the credits applied to. Please use your AWS account's primary contact email address ([name@startup.com](#)). If you do not have a domain name yet, please use a public email domain (@gmail or @hotmail) over your university email address if possible.

Credits will be deposited into your account within 2 weeks of your application. To see your credit balance, applicable services and credit expiration date, please go to your Billing and Management Console.

If you have additional questions about the status of your application, please contact Alex Zoryychta zory@amazon.com. Once you get set up, be sure to take advantage of the Business Support credits for technical, tactical or timely questions and assistance. Please do not share the Organization ID.

We are looking forward to having you join some of the world's hottest startups on the AWS platform and to helping you launch your business to the next level and beyond.

Welcome aboard!
