

### Metacognition Worksheet

Please answer the questions below to the best of your ability. You will get a half a point of extra credit for **each** question answered (2 pts max), to be applied to your exam score. Your answers will NOT have any impact on the grading of your exam. These questions help me (and you!) analyze and understand your progression as a Latin language learner, and will help me better tailor my support to your needs.

1. At this point in the class, how do you feel about the following skills? Check all that apply.

I feel confident:

- identifying morphological cases of words
- writing verb and noun paradigms
- identifying case use
- parsing verb forms
- identifying adjective use
- identifying dependent clauses
- translating sentences
- using reading expectations to predict what is needed

I struggle with:

- identifying morphological cases of words
- writing verb and noun paradigms
- identifying case use
- parsing verb forms
- identifying adjective use
- identifying dependent clauses
- translating sentences
- using reading expectations to predict what is needed

2. What could you do to help improve the struggle areas you checked?

3. What could I do as your instructor to help you improve the struggle areas you checked?

4. Is there anything else you'd like me to know?
