Early Course Feedback

Course _____

The purpose of this feedback form is to gather input so that I can improve this course and how it is taught and therefore help you improve your learning. I am the only one looking at your responses, and I will report back to you on the feedback I receive.

1. What are the strongest features of this course and of my teaching? In other words, what contributes most to your learning?
2. To improve your learning, what specific suggestions do you have for changes that I can make to the course or how it is taught?
3. (*optional question, if relevant*): Which aspects of the remote/hybrid learning experience in this course are most supporting your learning? Why?
4. (*optional question, if relevant*): How could I adjust specific aspects of the remote/hybrid experience in this course to better support your learning?

5. How, specifically, has the learning environment in this course made you feel welcome, included, and/or supported?

6. What changes would you suggest to foster a welcoming, supportive, and/or inclusive learning environment in this course for all students?
