The Tepper School Graduating Class Gift Campaign provides students with an opportunity to reflect on their time at the school, come together and show class pride, and help ensure that future classes have a positive experience. This important Tepper School tradition has seen tremendous growth over the last six years, and reached a new pinnacle in 2014 with the graduating class’ exceptional campaign results. Setting both dollar and participation records, the MBA Class of 2014 campaign, Build Your Legacy, established new standards for the class gift campaign at a crucial point in time for the Tepper School of Business.

The Class of 2014 raised funds in support of the construction of a new, state-of-the-art facility for the Tepper School of Business to be housed in the David A. Tepper Quadrangle. The class is committed to continuing their efforts with the ultimate goal of raising $200,000 by their five-year reunion in April 2019.
