The Tepper School of Business Graduating Class Gift Campaign provides students with an opportunity to reflect on their time at the school, come together and show class pride, and help ensure that future classes have a positive experience. This important Tepper School tradition has seen tremendous growth over the last six years with the last three classes raising nearly $100,000 in combined support. Setting both dollars raised and student W.L. Mellon Society membership records, the MBA Class of 2015 campaign, *Our Legacy Starts Today*, was exemplary in bringing attention to the importance of community support at a crucial point in time for the Tepper School of Business.

The Class of 2015 created an endowed fund establishing a student award in the form of tuition credit for the rising second-year full-time MBA student who has made the greatest effort to build a strong, united, and inclusive graduate student community at the Tepper School. The Class of 2015 award will be presented along with other student awards during the school’s Welcome and Awards Reception held in the fall of each academic year.
