The Tepper School of Business Graduating Class Gift Campaign provides students with an opportunity to reflect on their time at the school, come together and show class pride, and help ensure that future classes have a positive experience. This important Tepper School tradition has seen tremendous growth over the last seven years with the last five classes raising nearly $140,000 in combined support. The MBA Class of 2017 campaign was exemplary in bringing attention to the importance of community support at a crucial point in time for the Tepper School of Business.

The Class of 2017 raised funds to create an endowment that will support MBA student travel. The purpose of the travel fund is to help current MBA students offset part of the cost of attending case competitions, recruiting weekends and other school related activities.
A special thank you to the 190 donors from the Class of 2017 for reaching new heights and setting the stage for many successful campaigns to come:
