The Tepper School of Business Graduating Class Gift Campaign provides students with an opportunity to reflect on their time at the school, come together and show class pride, and help ensure that future classes have a positive experience.

This important Tepper School tradition has seen tremendous growth over the last 10 years with the last five classes raising over $200,000 in combined support. The MBA Class of 2018 campaign was exemplary in bringing attention to the everyday needs of an MBA student at a crucial point in time for the Tepper School of Business, when the new Tepper Quad building was almost completed. The Class of 2018 chose to dedicate their three-year fundraising campaign toward naming phone booths in the MBA Commons within the new Tepper Quad Building. This space will ensure MBA students have a quiet place to take important phone calls. The class was also the first ever in the history of the Tepper School to reach 100% participation!
