

# CERTIFICATE IN EXECUTIVE LEADERSHIP

## LOCATION

Hybrid, In-person, and Live online

## COMMITMENT

10 TEUs within 3 years

## WHY EARN THE CERTIFICATE

Today's business landscape demands leaders who are innovative thinkers, equipped with the latest strategic leadership skills. These empowered leaders play pivotal roles in steering their teams towards making intelligent decisions, catalyzing transformative change, and nurturing a culture of boundless innovation.

## HOW DO I EARN MY CERTIFICATE

Candidates earn the leadership credential by successfully completing 10 Tepper Education Units (TEUs) within a three year period. You can earn the Certificate in Executive Leadership by completing any combination of programs in analytics and AI, communication, diversity and equity, innovation, and strategic leadership. You are in control of choosing executive programming that supports your unique personal and professional goals.

- ▼ **Customized:** You can choose any combination of executive programs, targeting those that meet your needs.
- ▼ **Manageable:** There's no application process. Let us know when you're ready to begin earning TEUs for your certificate.
- ▼ **Valuable:** Carnegie Mellon University is a top-tier, world-renowned institution with faculty who are thought leaders in their fields.

*"I've participated in many...programs at Tepper Executive Education and have always found myself in a safe space, surrounded by like-minded individuals who were engaging. My experience has been invaluable!"*

— **Brandon Dudt-Mulzet,**  
Senior VP Global Impact Citizenship  
**BNY Mellon**

*"Improv-Based Communication showed me...you don't always have to have an immediate response — It's acceptable to take a moment to respond. I'll be able to integrate this and many of the other learned skills into my own practice and share them with junior partners, mentoring them with their approach."*

— **David Tattle,**  
Senior Clinical Project Manager,  
**Rhythm Pharmaceuticals**

*"[Emerging Business Applications of GenAI] was truly enlightening. I gained valuable insights that exceeded my expectations. The depth of the curriculum covered was remarkable. I was particularly impressed by how each presenter managed to convey complex ideas in a way that kept the audience engaged throughout!"*

— **Lindsey Bracco,**  
Director, Marketing and Technology Strategy  
**Gateway Financial**
