

Thomas Pellathy

Executive Vice President, Product and Healthcare Services,
Highmark Inc.

Thomas Pellathy is Executive Vice President for Product and Healthcare Services. In this role, he oversees product development and implementation, network contracting and relations, reimbursement, care management, utilization management, advanced analytics, and supporting operations on behalf of Highmark's millions of members across Pennsylvania, West Virginia, Delaware, and nationally.

In addition, Thomas leads a number of enterprise initiatives focused on the evolution of Highmark Health's strategy and business model, as the organization is now the nation's second largest integrated delivery and financing system in the country with the integration of the Allegheny Health Network.

Prior to joining Highmark, Thomas was a partner at McKinsey & Company, where he was a leader in McKinsey's healthcare practice.
