

## **Cyert Hall Data Center Regulations**

- All visitors must be signed in, escorted, and signed out at the front entrance.
- Visitors must display their visitor badge in all data center areas.
- No food or beverages are allowed at any time.
- Photography and video recording is not permitted.
- No flammable materials are to be stored in the data center.
- All activity in the data center is under surveillance.
- Do not leave trash on the floor, tables or in the racks.
- All left over material should be placed in a waste container or taken with you when you leave.
- Do not open cabinets or touch equipment unless authorized to do so.
- This area is subject to high noise levels. Ear protection is available by request from data center staff members.
- Two-way radios are not permitted to be used at any time.
- Equipment may not be brought into or removed from the data center unless authorized by the Data Center Manager.
- In case of emergency please call:  
Primary: Pete Bronder (412-260-2533)  
Secondary: Dave Kalbaugh (412-260-8838)
